COMPUTER GENERATED STANDARD FORM 30 (Rev 10-83)

A. Clause B.1 is modified by adding the following statement as paragraph (d):

(d) This solicitation/contract contains clauses prescribed for fixed-price contracts and clauses prescribed for time-and-materials contracts. Those clauses which are prescribed, under the versions of the Federal Acquisition Regulation and/or the Defense Federal Acquisition Regulation Supplement current on the date the solicitation was issued/contract signed, for use only in contracts other than fixed-price contracts shall not apply to delivery orders awarded on a fixed-price basis. Likewise, those clauses prescribed for use only in contract other than time-and-materials contracts shall not apply to delivery orders awarded on a time-and-materials basis.

B. The following Federal Acquisition Regulation Clauses are hereby added to Section I, by reference.

- 52.232-1, PAYMENTS
- 52.243-1, CHANGES--FIXED PRICE

C. Clause L17.1.1, Volume I Section 1 and 2: Introduction and Past Performance Project Descriptions is modified to add a subparagraph (d)as follows:

...(d) Contractors may modify the Project Descriptions below, however, all information required by the Project Description must be present in the offeror's proposal. Furthermore, contractors shall not exceed the page limitations set forth within this Section L.

D. Clause M.3(a) is hereby deleted and replaced by the following:

M.3 BASIS FOR AWARDS

(a) The selection of contractors for multiple awards will be based on the Past Performance, Software Engineering Capability (SEC), Cost, and Socio Economic Concerns as evaluation factors. The awards will based on the ability to best satisfy the Government's requirement. Cost will be considered, although of lesser importance than Past Performance and SEC.
